### Overview of Objectives

School counselors at Herriman High School operate under the Utah Model for Comprehensive Counseling and Guidance. The counseling program is comprehensive in scope and includes areas of academic learning, life/career, multicultural/global citizen, and personal/social development. The focus at Herriman High school is to ensure every student is prepared for college and/or career after graduation. The counseling program is a preventative design and counselors act as advocates for students who need more time and services.
