

Concurrent Enrollment in a Nutshell!

What is Concurrent Enrollment?

Concurrent Enrollment is college-level coursework given to motivated high school students with a desire to get an early start on their career path. With successful completion of each course, students will receive **both high school AND college credit.**

Where are Concurrent Enrollment classes offered?

Conveniently, many Concurrent Enrollment classes are offered here at Herriman High School:

Math/English/Biology – qualifying test scores required

- Math 1010 Integrated Algebra
- Math 1030 Quantitative Reasoning
- Math 1040 Intro to Statistics
- Math 1050 College Algebra
- Math 1060 Trigonometry
- Bio 1010/1015 Intro to Biology
- English 1010 Intro to Writing (seniors only)
- English 2010 Intermediate Writing (seniors only)

Available upon completion of Sec. Math 3

Electives/Other

- ART 1010 Exploring Art (Avail. for 10th grade)
- ART 1020 Intro to Drawing (Avail. for 10th grade)
- CMGT 1200 Personal Projects (Avail. for 10th grade)
- CMGT 1220 Woodworking & Millwork
- CTEL 1010 Leadership & Teambuilding (Avail. for 10th grade)
- FIN 1050 Personal Finance
- INTD 1010 Intro. To Interior Design
- MKTG 1030 Intro to Marketing (Avail. for 10th grade)

Last update 08/2016

You should only register for CE classes that align with your Plan for Career and College Readiness (PCCR). General Education courses are appropriate for all qualified students.

Do I qualify for Concurrent Enrollment?

To be a perfect candidate for Concurrent Enrollment you should:

- Be in 11th or 12th grade (10th grade by appeal for select classes)
- Have a GPA of 3.0
- Maintain upper-level academic standing – have a goal to achieve A's and B's
- Have and keep good attendance

How much will Concurrent Enrollment classes cost?

Admission is through SLCC with a one-time application fee of \$40.00 and tuition for each CE class is \$5.00 per credit hour. For example, a 4 credit hour class would cost \$20.00. Books and/or lab fees will vary.

What is the difference between Concurrent Enrollment (CE) and Advance Placement (AP) classes?

Concurrent Enrollment

- High school and college credit are given simultaneously for a passed course and a permanent college transcript is created.
- CE classes are typically 1 semester.
- Tuition is required.
- Pre-requisites/scores may apply

Advanced Placement

- Credits are given in high school for a passed course, and college credits are earned by submitting passing scores from the AP exam to the college of your choice.
- AP classes are year-long.
- AP exam fee required.
- Teacher recommendation required, and pre-requisites may apply.

Both CE and AP are rigorous college courses. These classes are designed to prepare you for higher learning. Careful planning and consideration should be used when deciding which type of course to take. Your high school counselor is a great resource to steer you in the right direction!
