

SLCC Concurrent Enrollment Application Process

1. Please go to <http://www.slcc.edu/concurrentenrollment/students/>
We encourage you to watch the “What Direction Are You Headed” video and then proceed to step 1 to view the qualifications for concurrent enrollment classes.
2. Click on Step 2 and watch the “Become a SLCC Student Video”.
This link to apply will appear at the bottom of your screen after the completion of the video:

3. You will need:
 - Your **State Student ID number (SSID)** this is separate from your student number. This information can be obtained from your high school counselor or your high school CE Coordinator.
 - An **email** address you check every day.
 - The **approval** of your parent or guardian.
 - Your **Social Security Number**. (Optional, but beneficial.)
 - A **credit card** to pay the on-time \$40, **non-refundable** admission fee. If a credit card is not an available option, you can complete your application, print your application number, and bring it to a SLCC Cashier’s Office with 3 business days.
4. Be sure to **enter the exact Term** in which your first concurrent enrollment class takes place.
For example, if your first class will be in the Fall (or 1st semester), choose Fall 2017 (or appropriate year.)
