

Herriman High School Diversity Scholarships

This scholarship spreadsheet is for minority students of diverse backgrounds. It is arranged by heritage first, then by the month in which the scholarship application is due. Please go directly to the scholarship link for exact due dates, as they differ from year to year. There are, of course, many other scholarships you can apply for that do not have heritage as a consideration. Many scholarships are also available through the colleges and universities which are generally not included here. Please research those scholarships through the institutions directly. Keep applying for scholarships while you are attending college as well! Many listed here are also for undergraduates.
