

WORKPLACE SKILLS INTERNSHIP

Are you ready to move out of the classroom and into local on-the-job training? Do you want to have an internship on your resume or college application? Workplace Skills/Internship allows you to explore the career of your dreams as part of your high school experience! Find opportunities in physical therapy, education, culinary arts, health care and many more!

HOW IT WORKS

- Be a junior or senior with a career goal.
- Have your own transportation.
- Sign up for **Workplace Skills/Internship**. This is a semester course taught 4th period. A letter grade is given and students receive CTE or elective credit.
- Have 3 available hours a week for your internship.
- Complete the application form and turn in to Mrs. Glassey.
- It is helpful if students arrange their own internship site, however we have many ideas and contacts.
